

Jim Belangers

Mission Statement

HONESTY

I will never deviate from the absolute truth regardless of the situation or how unwelcome the news may be. It is your responsibility to make important decisions, and it is my job to make sure you have the facts on which to make the best choices for you and your family.

SUCCESS

The bottom line is that you need to sell your home. We define success as selling your home for absolute top dollar in the least amount of time with the least amount of inconvenience to you.

I want to see you on your way to your next destination because of my efforts.

The bottom line is... I get the job done!

AGGRESSIVE MARKETING

I am committed to active methods of going out into the field everyday and **looking** for buyers as opposed to sitting in an office **waiting** for buyers to stop in.

I sell more of my listings than any other agents.

BUSINESS, NOT HOBBY

I run my real estate business as a business, unlike many other agents for whom selling homes is a hobby or a source of secondary income. I have a professional full-time staff and a detailed business plan which enables us to give you the service you deserve.

COMMUNICATION

The biggest complaint we hear in our business is that Sellers never heard from their agent again after listing their home. I contact every customer every week and communicate all relevant information about their home and the market.

I promise you will never say, "We never heard from our agent".

CUSTOMERS FOR LIFE

It is my goal to retain the business of my customers for life. Through the success of my Customer's experience and the personal service I provide, my goal is to earn repeat business and referrals from my existing customers.

With 25 years of Real Estate Sales Experience and Success

***I AM PROUD TO SHARE MY MISSION WITH YOU
AND LOOK FORWARD TO EARNING YOUR BUSINESS.***
